

THE ENGLERT THEATRE

SPONSORSHIP GUIDE

WELCOME

At over 100 years old, The Englert Theatre exists because of broad community support. In the last two decades as a non-profit, nearly 700 area businesses have made the choice to sponsor The Englert, understanding the role that the theater plays as an economic catalyst, enhancing the community in which we live, while providing a great place to work for over 60 employees.

Your support as a sponsor not only provides you with great recognition and benefits, but helps support The Englert's vision to **build and sustain a thriving arts-centered community** and an organization where all can feel welcome, seen, heard, valued, and at home. Your support helps us present art that helps introduce our community to new ideas and perspectives, all while responsibly caring for the landmark historic theater that has become a symbol of our downtown and our creative ecosystem.

We continue to dramatically expand our educational offerings and thoughtfully grow our programming, which means partners like you will have even more opportunities for recognition. And of course, your support will help us continue the investments in our historic building and expand our community engagement opportunities.

We're excited to share our updated sponsorship benefits, as we have a great deal of hope for the future of our organization. Thank you for helping us sustain The Englert!
